MEMO ANDUM FOR:

25X1

SUBJECT : Check Cashing Facilities for Contractor Personnel
ATTENTION : Finance Officer

1. This is to authorize you to cash checks for contractor personnel up to a maximum of one hundred and fifty (\$150) dollars per month beginning at once.

2. It is our hope that Project Headquarters will be able to induce each contractor to assume responsibility for checks drawn by its own employees against insufficient funds, since the contractors have recourse against their own employees in such an event.

3. As of this date has indicated his belief that this arrangement would be acceptable to Lockheed.

25X1

4. In the interim before such arrangements are formalized, headquarters will be financially responsible.

RICHARD M. BISSELL, JR.
